Presidents Report – David Drummond, W4MD:

Bylaws indicate 4 meetings per year; however Greenville was cancelled due to April 27, 2011 Tornado Outbreak. Motion, second and passed by acclamation to not make-up the meeting.

David would like to work on a Newsletter, along with getting input from the Directors and Officers.

Vice-President Report – Bill Clingan, KC0ONR:

No report from Bill

Web Page Updates – no significant changes in web page. Kirk, N4KRJ will get an updated file from Howard Grant, K4WWN to update members only area for repeater listing.

Frequency Coordinator Report - Howard, K4WWN

There was very little activity in the coordination area. There were concerns for a UAB frequency of 147.76. The KX4I 145.35 repeater will be going back to analog very soon, from D-Star.

SERA – has not made a decision on a Narrow Banding issues.

ARC – will wait and see what is done around SERA before deciding.

Frank Butler commented that Florida has approved a Narrow Band plan for 2M frequencies.

Directors Reports:

Ben Baldwin – Not a lot going. Mobile had some applications for Howard to because of site moving.

Bob Luman – No Report

Wiley Boswell – No Report

Tommy Golden – No Report

Lester Crane – Additional comments on the “76” and the “5.35” as Howard mentioned, and the Smoke rise system may also be moving in the near future.

Jack Evans – No Report

No additional business was discussed.

Meeting adjourned at 12:17
